ASSOCIATE MEMBERS - may -

1. Attend and vote at any Annual or General Meeting of the Club.
2. Play in Club events, as long as an Official Handicap has been gained, but excluding Club Championships or other Club trophy events.
3. Only play two Saturday/Thursday competitions throughout the whole year, after which they must become full members and pay full subscriptions.

CHAMPIONSHIPS

Championship will be run on stroke play, with grades set from the day before the first round. Qualifying rounds will be played on the dates set out in the programme. To qualify players must hand in three cards from the four rounds. All men's stroke championship rounds commence at 12 noon. A disc draw will be made on the morning of each championship round to determine starting order in each grade. Any player can play in all four rounds, but only the best three will count. Junior A and Junior B grades will play their first final 18 hole round on Saturday 27th September and their final 18 hole round on Saturday 4th October. Both these rounds will count for their final score to find the champions in their grades.

There will be two reserve days. The first one the week after round two (if needed) And the second one the week after round 4 (if needed).

Senior and Intermediate grades will hold their 36 hole final day on October 5th starting at 8am to find the champion in each of their grades.

Nett prizes will be given in each grade over the final 36 holes with the best men's nett winning the Gill Croy Cup.

A player is eligible to win both a Championship and a nett in his grade.

The aggregate of the three nett cards from the qualifying rounds in each grade decide the Allan Wright Trophies.

In the event of a tie for a championship, starting on No. 1, a further three holes will be played, and if still square, from No. 4 hole, a 'sudden death' play-off. Minor placings will be decided by a 'sudden death' play-off starting on No. 1 Tee.

DRUMMOND CUP (Captains Trophy)

This competition is to be played match play using handicaps. Members must have an official handicap to enter. Members must enter their names on the notice board by dates as laid out in programme. The first round must be played by dates as laid out in programme. No. 1 and No. 10 tees are to be used. If the game is all square at the eighteenth, sudden death play off taking strokes as they fall on the card starting on No. 1 or No. 10 original starting hole.

The format will now include a preliminary round where there are no byes.

If there is an odd number of players, the first person drawn out will go straight through to the main draw.

When the preliminary round is completed as per the programme, there will be a main draw and plate draw. With required completion dates as per the programme.

Plate Round - First round losers will form a plate round competition.
